Overview

Fantastic parcel of land now available in the sought-after area of Clifton Estate at the most competitive price!

With magnificent views over the Caribbean Sea and the island of St Kitts, the size of the lot and the location lend themselves to a small development or a private retreat in unspoiled surroundings. Additional assets come in the form of an easy road access and proximity to the best beach on island.

The gentle slope and elevation are ideal to maximize the use of the land and enjoy the wonderful Caribbean sunsets.

This property has been priced to sell and land prices in this area are on offer for at least 5 times the cost.
