

VILLA MIRAMAR

VILLA MIRAMAR , 5 BEDROOMS , 5 BATHROOMS
PRICE : \$1,500,000 USD

OVERVIEW

Villa Miramar will leave you spellbound by the incredible views of Half Moon Bay, the vibrant waters of the Atlantic Ocean, the spectacular Southeast Peninsula on [St. Kitts](#) and Mount Nevis.

This contemporary delight is laid out with the perfect balance of privacy and entertainment. Main level is comprised of two guest bedrooms, each with ensuite, powder room, fully equipped and modern kitchen and large dining/living/entertaining area that extends outdoors to a terrace, which stretches the full length of the home, and is host to a gorgeous pool. Enjoy an afternoon of sun and fun and stargazing is most definitely a perfect evening pastime!

Top floor master bedroom flows from a fantastic second living area, or perfect home office, and affords an ultramodern design, looking down over the main floor living space. Bonus of two bedroom/ 2.5 bathroom guest apartment at ground level.

Take a look at our [Buyer's Guide](#) for purchasing details.
