

HIDEAWAY

HIDEAWAY , 3 BEDROOMS , 3 BATHROOMS
PRICE : \$415,000 USD

OVERVIEW

Hideaway sits atop Harris Village with panoramic views towards the Southeast and the neighboring islands of Redonda and Montserrat.

The home has a lot of character and charm, but with a smaller and more efficient footprint. It can function as a second home or vacation retreat. The rooms are cozy and comfortable, and many of the living areas open onto a veranda or patio.

The property consists of two main structures. One being the main house with master bedroom and the other with garage, and two guest bedrooms.

On most days there is a gentle breeze in this quadrant of Nevis.

The plunge pool and upper viewing patio are added features.
