VILLA ESTEREL - ST. THOMAS LOWLAND,NEVIS

VILLA ESTEREL

OVERVIEW

Nestled in the lush and verdoyant hills of Fern Hill Estates, Villa Esterel boasts from an amazing location. This house was built by a French couple who on their first visit to Nevis fell in love with the island and decided to make it their second home. Named after their home residence in the south of France, the views from Villa Esterel remind them of the amazing combination of blue seas and green mountains they enjoy in France. The villa has commanding views of St Kitts and the Caribbean Sea. At night, the scintillating lights of Basseterre create a romantic setting for diner.

The villa was completed in April 2009 and was designed and decorated with simple and comfortable lifestyle in mind. The whole family, of 10, has stayed there. The large garden is in its infancy but it is a great playground for children. The quiet residential neighborhood makes it a natural habitat for the resident monkeys and an exciting entertainment for all. While wonderfully secluded and tranquil, a short drive of 10 to 15 minutes is all it takes to reach the island's numerous attractions. Smoking is not allowed.
