VILLA FLAMBOYANT - ST. THOMAS LOWLAND,NEVIS

VILLA FLAMBOYANT

OVERVIEW

Villa Flamboyant is located on the highly desirable private homeowners road, Spring Hill Road. Some of the island's best beaches and restaurants are a 5 minutes drive, or a 10-15 minutes walk. The Villa offers a seamless transition between indoor and outdoor living, and boasts almost two acres of beautiful tropical gardens, palms, tamarinds, and flamboyants, (the national flower), scattered across the gently sloping lawns. The property has plenty of shaded areas for an outdoor picnic, a swimming pool with views of both the sea and St Kitts and the forest canopy, and outdoor swings and a hammock that children and adults alike are sure to love. For those looking to enjoy the sights and sounds of nature from the large screened-in porch, the daybed is a perfect place to read, snooze, enjoy the breeze, or monkey watch. The gracious seaside porch also features ample seating and dining areas.

The cheerful pastel pinks, greens, mahogany cabinetry and extensive artwork throughout the indoor living areas are classically Caribbean, and echo the beautiful colors of the island's foliage. The villa's kitchen is fully equipped and functional with an added barbecue grill for casual dining.

The property is ideal for a couple or family looking to unwind and enjoy what Nevis has to offer.
