THE BEACH HOUSE

OVERVIEW

OUR HOME

The Beach House is a traditionally crafted West Indian home with separate main living areas consisting of a living room, dining room, family room and large kitchen. The terracotta tiles combined with decorative elements create warm and inviting spaces throughout. From the living room, two large double doors open unto the family and dining rooms. A view of the well maintained garden is possible from most vantage points due to the large screened windows.

LOCATION

The Beach House is located in walking proximity to Nisbet's Beach, A short walk down a sandy lane leads to the swaying palms and pristine white sand of Nisbet Beach with wonderful walking on the beach heading along the undeveloped north coast.
