

MANGO HOUSE - ,NEVIS

MANGO HOUSE

OVERVIEW

Tucked away on the unspoilt foothills of Mount Nevis, Mango House honours the colonial architecture of the islands. This two-story villa offer spectacular views of the neighbouring islands and encourage the outdoor/indoor lifestyle typical of the Caribbean. With French doors access to the large veranda and ample windows throughout, the main level is filled with natural light and gentle breeze. A wooden staircase leads to the lower level family room and two guest bedrooms.

Mango House is surrounded by lush vegetation, fruit trees, Palms and manicured garden. The Bali style gazebo with 44 ft. private swimming pool completes this wonderful villa.
