VILLA CHEZ NOUS - ST. THOMAS LOWLAND,NEVIS

VILLA CHEZ NOUS

OVERVIEW

Entirely remodeled villa within walking distance from the beach and in close proximity to a number of outstanding restaurants!

This 3 bedroom/3 bathroom villa was recently renovated to incorporate modern conveniences within it's traditional, warm, stone walls. Modern conveniences and appliances flow comfortably throughout the villa with original pieces scattered throughout. The beautiful stone work has been preserved in this bright, airy and comfortable accommodation.

From the remote control operated screens to the large foldable doors dividing the living area from the front terrace, emphasis is on the enjoyment of the outside and the seamless transition of indoor and outdoor living. The pool deck is ideal for sun worshippers while the veranda offers shade during the hottest hours.

The gourmet kitchen is fully equipped and only steps away from the outdoor dining area. The open plan concept also includes an indoor dining area and a spacious living room. Two of the three bedrooms are located on the main level. Both have colorful, soft furnishings and modern, en suite bathrooms. As an added bonus, the master bedroom's bathroom also contains a jacuzzi tub.

The third accommodation is part of a self-contained apartment reachable from the main house or from a

separate entrance in the garden and can be closed off from the rest of the house. The upper level contains a cozy, functional kitchenette and bathroom with a colourful spiral staircase leading to a spacious bedroom on the ground level.

There is also an outside barbeque area, ideal for those warm, West Indian nights.

The villa sits on a large lot in a quiet, residential community. The well maintained, surfaced road leads to only a handful of villas, assuring visitors a restful stay where the main disturbance is likely to be the chattering monkeys playing in the surrounding gardens. From the east facing veranda, the magnificent vista of Nevis Peak provides the most perfect backdrop to the beautiful blue skies while the sunset can be viewed from the western veranda.

Chez Nous can be rented as either a three bedroom villa or a two bedroom villa.
