STARGAZER - ST. JOHN FIGTREE,NEVIS

STARGAZER

OVERVIEW

Set high in the foothills of Nevis Peak, Stargazer Villa is a quiet characterful hideaway. The villa sits on the top of a hill embracing its surroundings and the Caribbean Sea. Recently freshened up with white walls and vibrant colors recalling the tropical hues of the islands, Stargazer's charm lay in its simplicity and comfort. Consisting of three distinctive cottages, the living area including the dinning/sitting area and a functional kitchen make up the first cottage. Double doors open to a large wooden deck where al fresco meals, afternoon teas and evening cocktails can be enjoyed. A covered walkway joins the second cottage where two spacious bedrooms, each with its individual bathroom are located. The master bedroom has a large terrace with a quiet corner to enjoy that first morning coffee or tea. A few steps up, the third cottage consist of a large bedroom and bathroom with a small balcony. Total privacy from the pool deck where a couple of walls contribute to a courtyard effect. Ample sitting allows for gatherings and fun times in the pool. Following the contour of the land, the garden has been terraced with stone walls and planted with tropical trees and plants. It sets the perfect background for the villa and guest cottage.

A few steps away is the renowned Montpelier Plantation Inn, 60 acres of lush tropical gardens, overlooking the Caribbean Sea, the hotel sits within one of the island's original 18th-century sugar plantations known for its fine dining, romantic setting, and conviviality.
